ROAD TEST INFORMATION: A Tennessee State Road Test is not included with this package. *(initial)*_____ Students who have successfully completed our Driver's Ed. Course, hold a valid Tennessee Learner's Permit and an SSN, and are 15 and ½ years of age (or older) may be administered the **Tennessee State Road Test** (driving portion of the driver's license test) by Pitner Driving School. The Pitner administered state road test takes about an hour to complete and there is an additional cost of $60. Students will be notified, after completion of their 8 hours of driving instruction, whether they possess the skills necessary, at that time, to successfully pass the road test. The parent may then schedule an appointment with Pitner Driving School for the road test. If a student needs more practice at home before they take the road test, they can call us when they feel they are ready. We **STRONGLY RECOMMEND** that students complete a **minimum of 50 hours of practice** before scheduling a road test. Passing the road test is **NOT guaranteed**. Be advised that the TN Department of Traffic Safety (TDOTS) may randomly select applicants with road test waivers to re-test at the testing station. *(initial)*_____
